

PUNCH N PRESS

The fastest and easiest way to
make customized products

- + Easily create custom name badges, keychains, magnets, bottle openers, and more for **instant profitability**.

+ Print. Punch. Press... **Profit.**

+ Create a new revenue source for your business with the Punch-N-Press system in just 3 simple steps.

The Punch-N-Press is an all-in-one system with cutting and press attachments, making it easy for anyone to assemble dozens of profitable products per hour!

1. Print your designs on any desktop printer with any paper using the free, downloadable Punch-N-Press templates.
2. Quickly punch out your designs using the appropriate Punch-N-Press cutting tool.
3. Place your printed design in the item and simply press the lens into place with your Punch-N-Press assembly tool.

In **less than 30 seconds**, you can have a high quality, full color CUSTOMIZED Punch-N-Press item to offer your customers!

Ridiculously low startup cost | Simple-to-use | Cool customizable designs
